Hi Will,

I can't remember the last time I was impressed enough to take the time to write a letter about it, but my experience with Huntley Design has me doing just that.

From the hardwood floors to the crown molding, the quality of materials and workmanship in our new home is apparent. And, we are delighted to find that the quality doesn't end there! The service we've received after the sale has been outstanding.

So, thank you Will, and Jamie, and Ashlee. It's been a pleasure working with all of you. And special thanks to Taylor, who always finds the time to stop by and deal with whatever little problem we might have. He makes things right no matter what it takes and never acts like it's an imposition. He is committed to making the homeowner happy and secure, and that's a great feeling. Please know that we would not hesitate to recommend Huntley Design to anyone in the market for a new home.

Sincerely,

Terry & Louise Garrison
